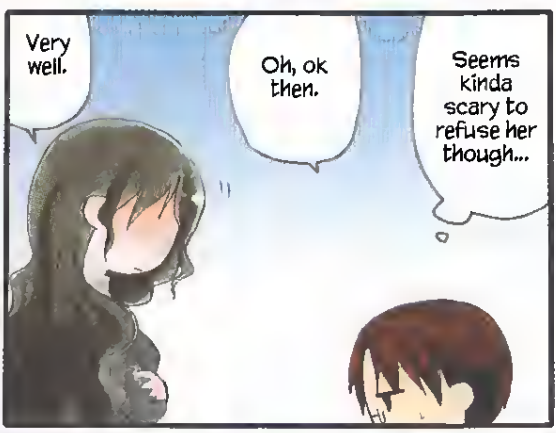
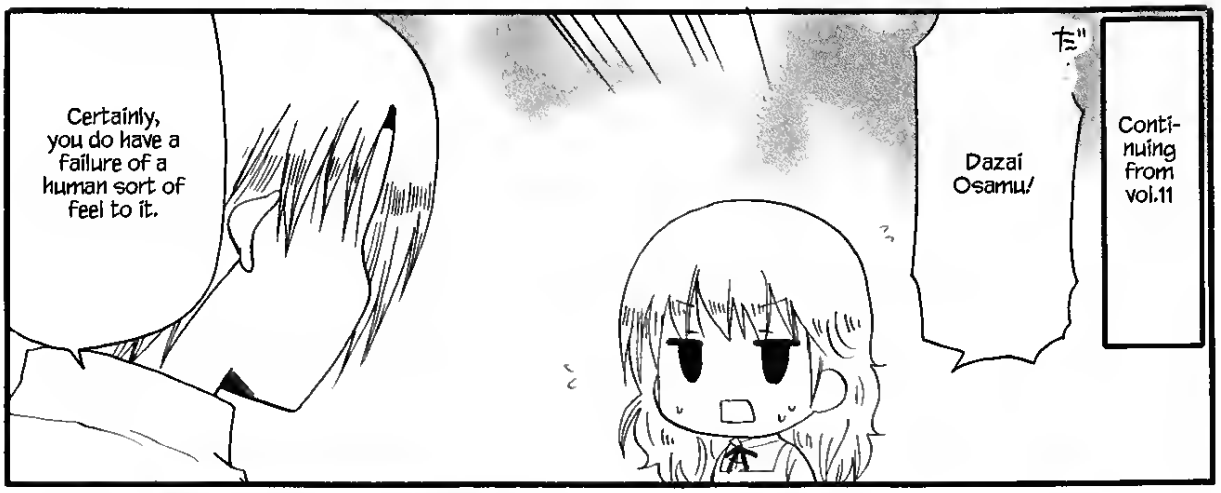
Allow your mother to help you relief some of your troubles.
Mom, you're the main source of my troubles, though.

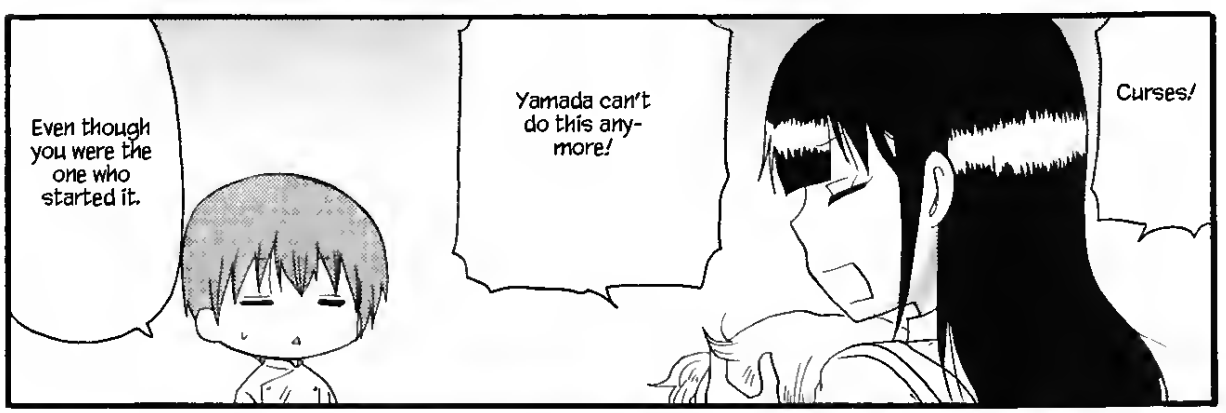


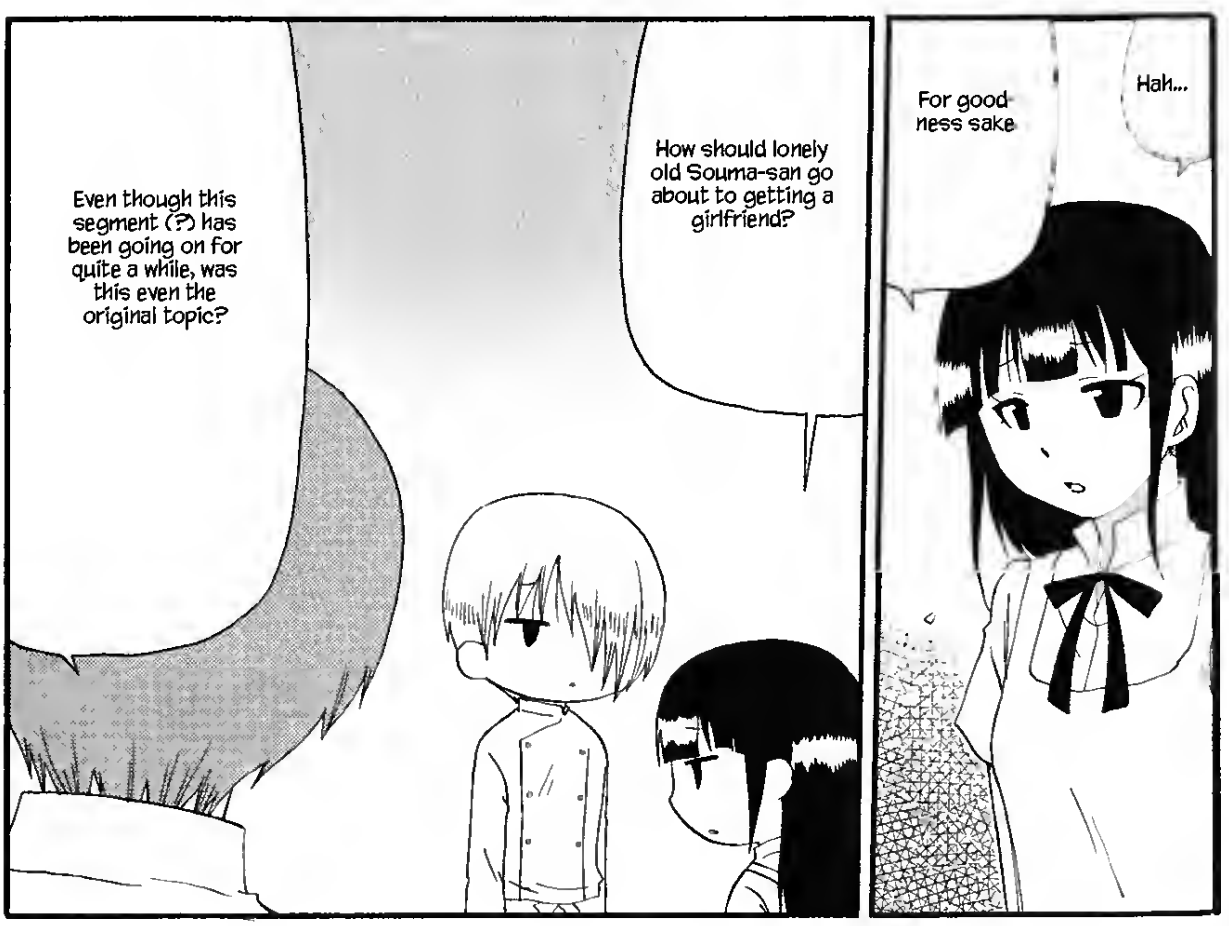
Seems kinda scary to refuse her though...
Oh, ok then.
Very well.

Is there anyone you would like to eliminate?

Dazai Osamu is the author of the novel, Ningen Shikkaku or No Longer Human.
The literal translation of the title is "Disqualified from Being Human".







Hah...
For goodness sake
How should lonely old Souma-san go about to getting a girlfriend?
Even though this segment (?) has been going on for quite a while, was this even the original topic?

Ever since I hardened my resolve on that day

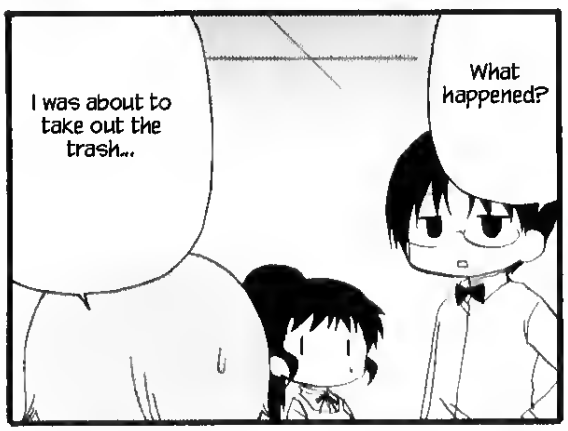
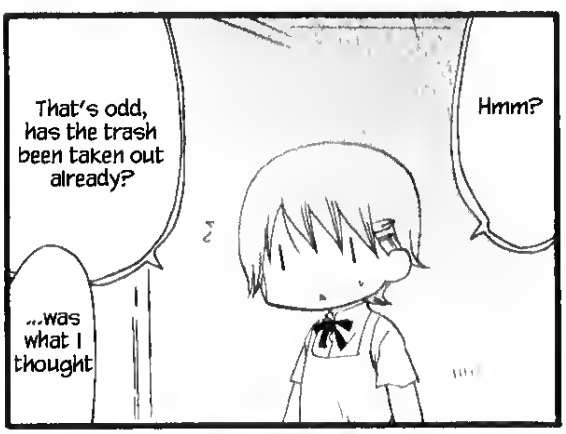
Bizarre incidents at Wagnaria 1

Just as I was in the restaurant
I saw someone sweeping the floor outside the shop
Speaking of which, something weird just happened too.

Perhaps it's just someone helping to sweep the floor?
but when I walked over to have a look, there's just the broom being chucked on the floor

Bizarre incidents at Wagnaria 2





Culprit behind the incidents
Wh-
what are you talking about?
I see, so you're the one responsible for finishing the parfait ingredients and leaving the trash all over the place, aren't you?
Y-Yamada has no idea what you're talking about! That's false accusations!
Wh-what?
And even putting bag of trash on the table in the break room.
The one who did these is probably-
Takanashi-kun, please don't scold Aoi-chan!

It was me.
Bizarre incidents at Wagnaria...?

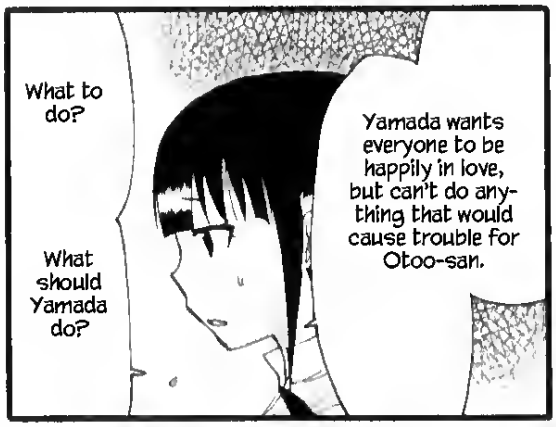
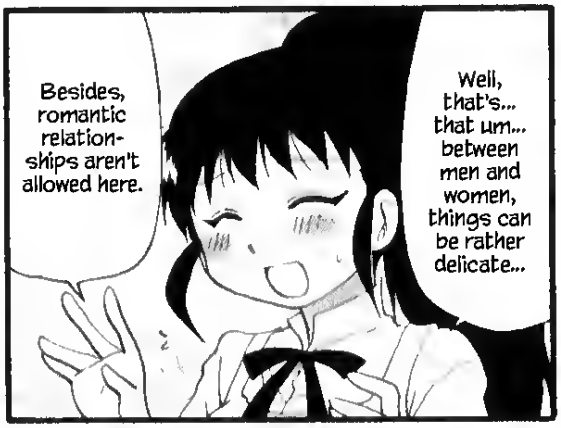
If it's about Otoo, then off to Otoo

I don't know, but if that's what Kyoko-san is saying, then I'd guess Otoo-san probably feels that way as well.
Is that Otoo-san's stance, too?



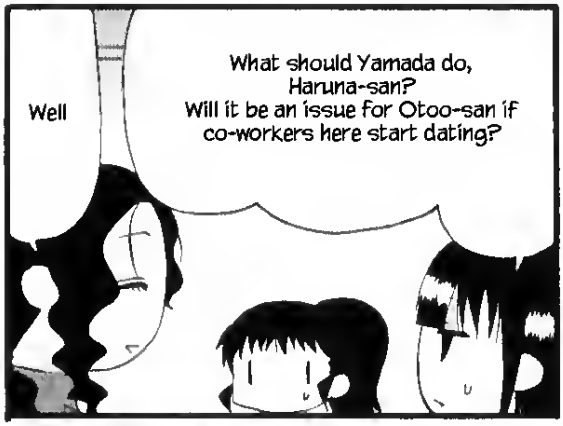
What to do?
What should Yamada do?
Yamada wants everyone to be happily in love, but can't do anything that would cause trouble for Otoo-san.

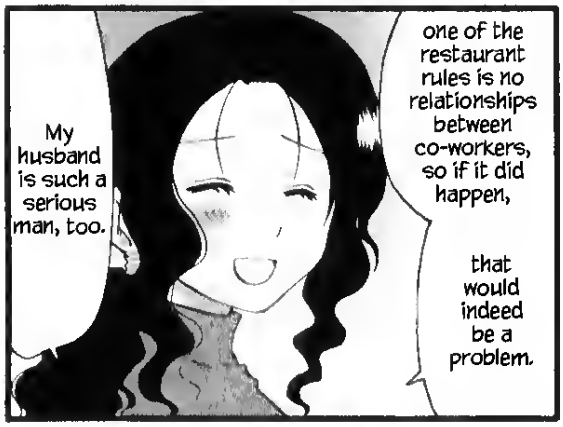
Wagnaria's Romance



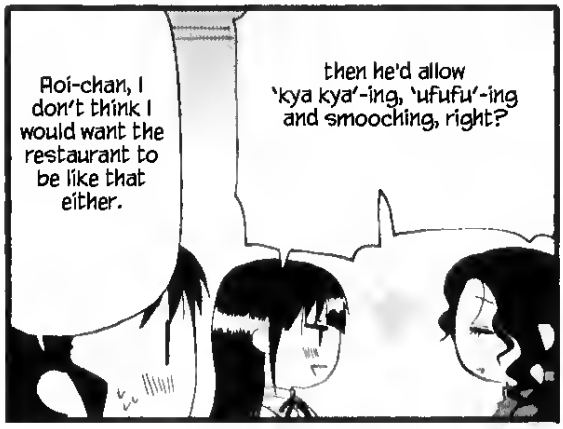
Besides, romantic relationships aren't allowed here.
Well, that's... that um... between men and women, things can be rather delicate...

For the sake of the new shop



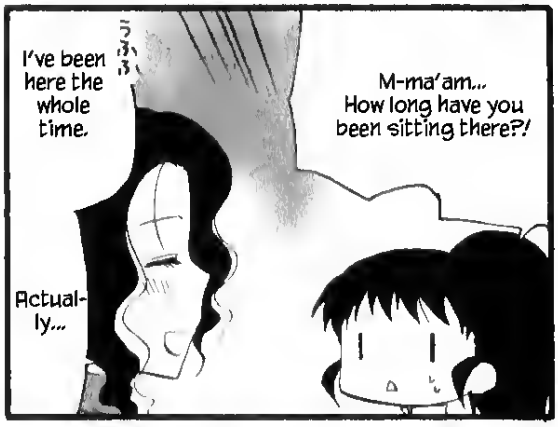


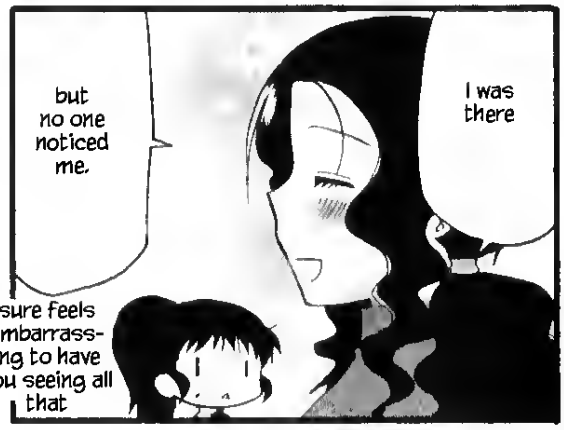
My husband is such a serious man, too.
one of the restaurant rules is no relationships between co-workers, so if it did happen,
that would indeed be a problem.



Aoi-chan, I don't think I would want the restaurant to be like that either.
then he'd allow 'kya kya'-ing, 'ufufu'-ing and smooching, right?

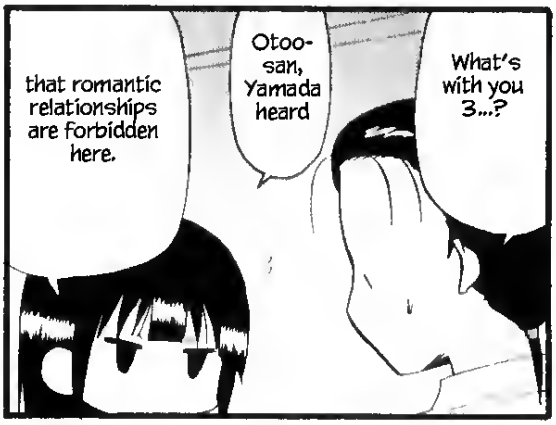
Haruna's existence





Regarding those 4 people's romance

Yamada's report



But the truth is recently, Takanashi-san and Inami-san, and Satou-san and Yachiyo-san

Ultimately, things will progress into a situation that is extremely unsightly!

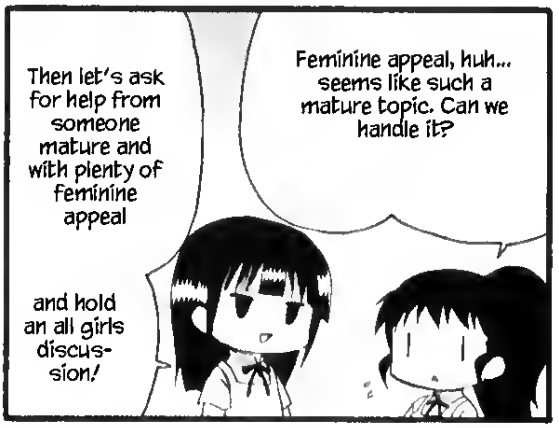
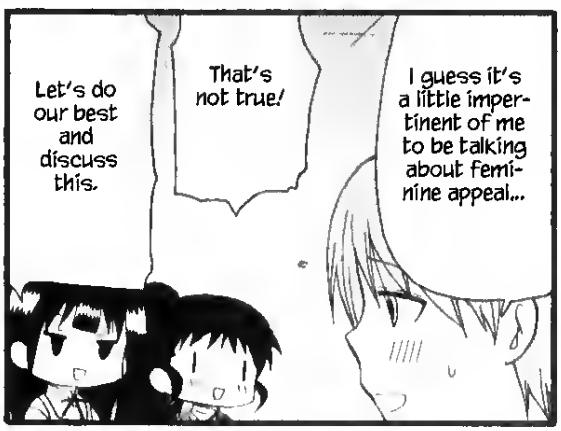
Feminine Appeal SOS



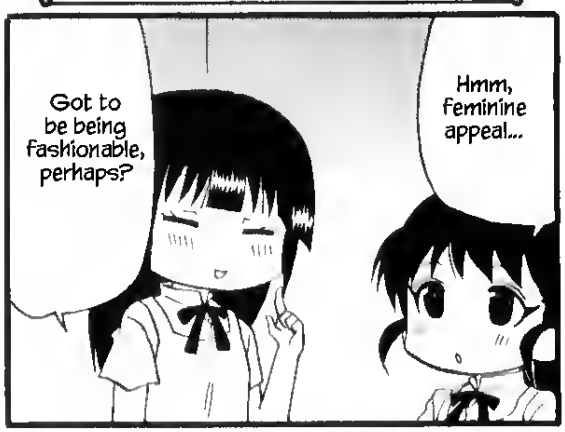
Then let's ask for help from someone mature and with plenty of feminine appeal
and hold an all girls discussion!
Feminine appeal, huh... seems like such a mature topic. Can we handle it?

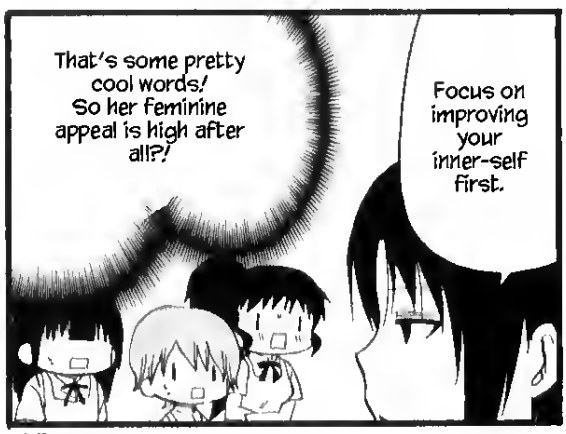
First thing to increase



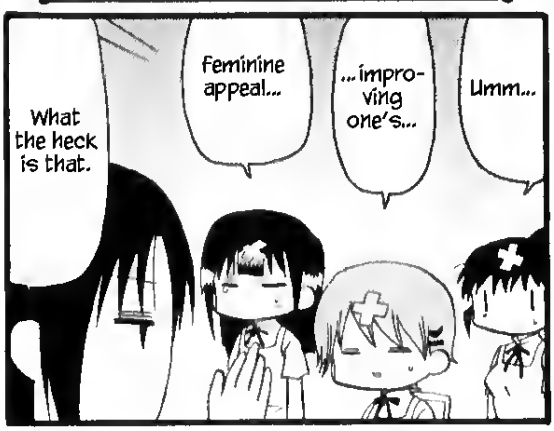
Let's do our best and discuss this.
That's not true!
I guess it's a little impertinent of me to be talking about feminine appeal...

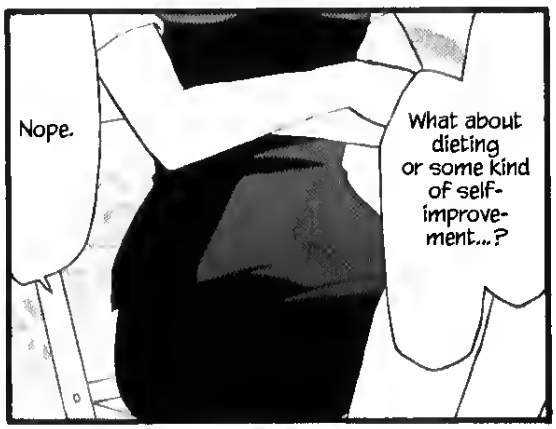
Model of feminine appeal





Kyoko's feminine appeal

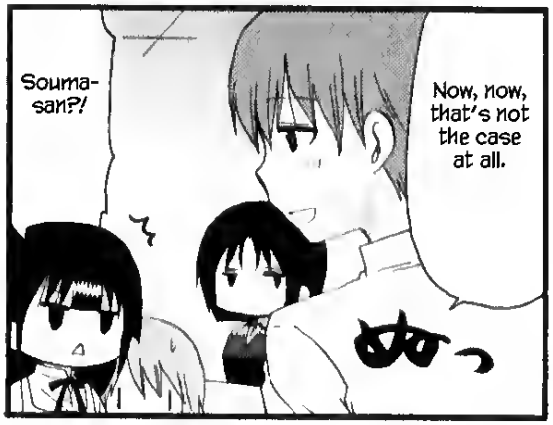


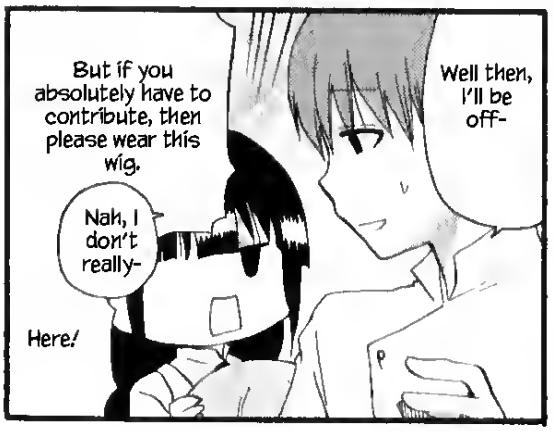


Could it be, her feminine appeal is actually really high?!
And yet somehow she managed to gain the admiration of people like Yachiyo-san and the Mashiba siblings.

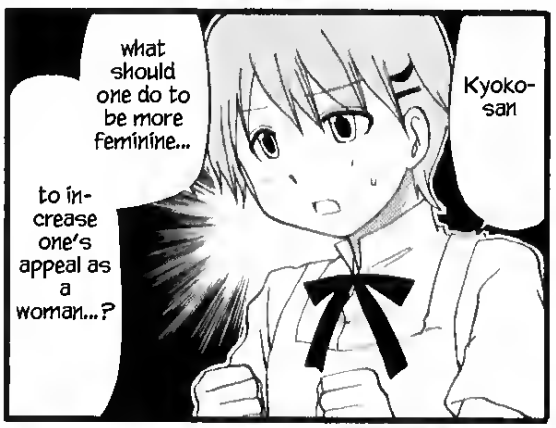
The regulations of the girls' committee

Takanashi-kun is much better at it
When it comes to cooking
It's just Kyoko-san being Kyoko-san, but she has a point. Cooking skills is part of having high levels of femininity appeal.
so even if some-one like me try it...



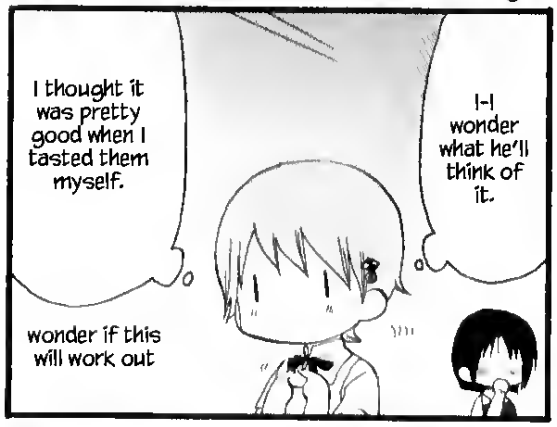


Kyoko's advice

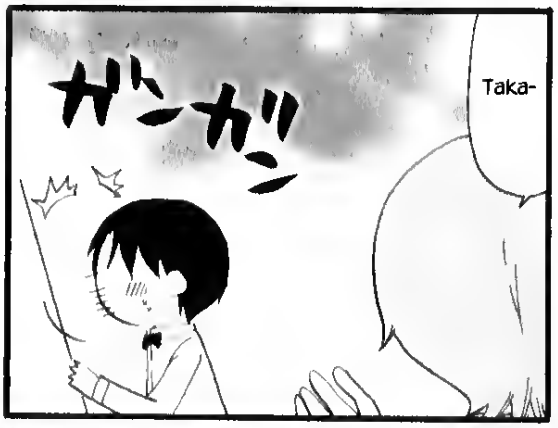


Just barely retaining one's sense
I tried making cookies, would you care to give it a try?
The day after
Umm ...
character cookies
Going to bang his head?!
Gkh
Is this his new obsession?!
He didn't want to ruin the cookies! Amazing, Katanashi-kun!
He stopped himself at the last second!
じっ
Kyoko accepts
guys don't really care as much as girls would think they do.
When it comes to things like make up, nails and that sort,
Takanashi-kun probably won't like it anyway.
I see.
Even if he's better at it, it is still a good idea to improve yourself when it comes to housework.
Ah
Ah,
why not try making some of those small and cute character cookies?
How about something like snacks? When it comes to making snacks that girls like to make, I doubt even Katanashi-kun himself would be proficient at it.
Thanks, everyone
Manager, you just want to eat them, don't you.
Furthermore, it helps boosts one's femininity if you've got the willingness to share the snacks with your co-workers.

The first step



Right, if it didn't work out, I'll just have to work harder!
Increasing one's feminine appeal isn't something that is done in 1 day!



Inami Syndrome

Um
in a way, it's just so cute that it seems a shame to eat them
well, it's like
but not eating it makes me feel bad as well...
how do I put it...

He's behaving just like Inami-san back when she got the hairpins for White Day.
What to do...? Just appreciate it for as long as I can before eating them?!

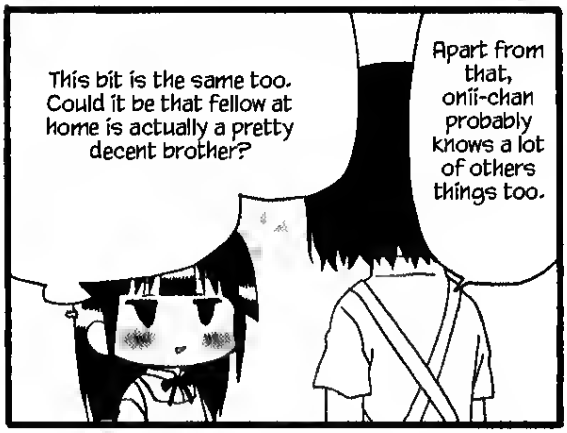
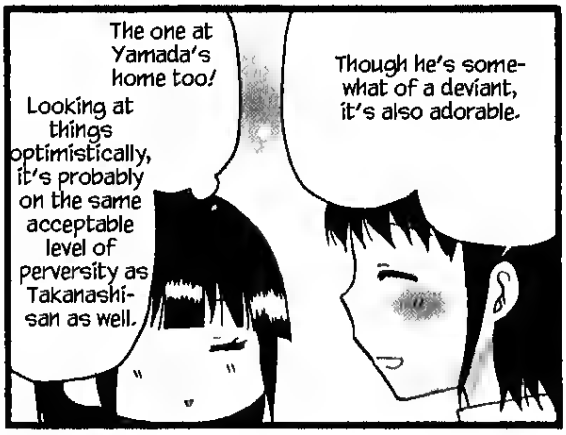
Good points of the older brother 2



This bit is the same too. Could it be that fellow at home is actually a pretty decent brother?
Apart from that, onii-chan probably knows a lot of others things too.



The one at Yamada's home too!
Looking at things optimistically, it's probably on the same acceptable level of perversity as Takanashi-san as well.
Though he's some-what of a deviant, it's also adorable.

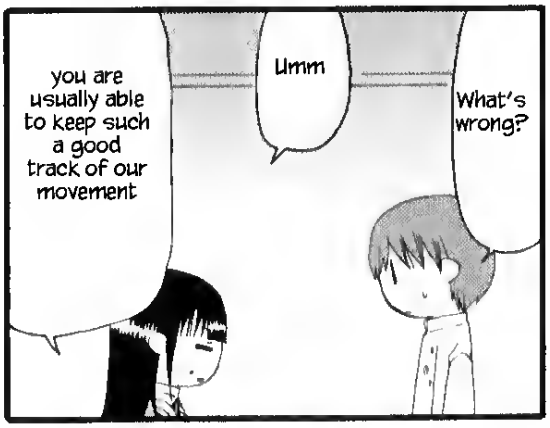
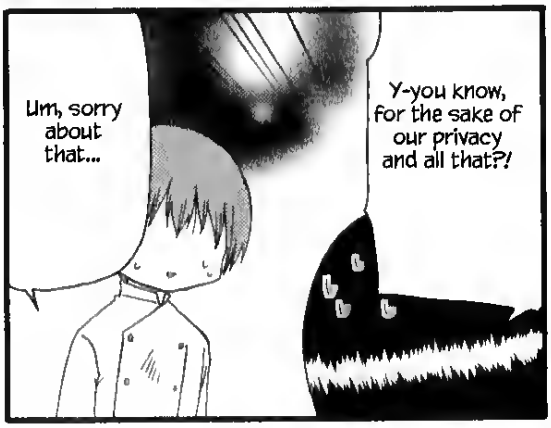
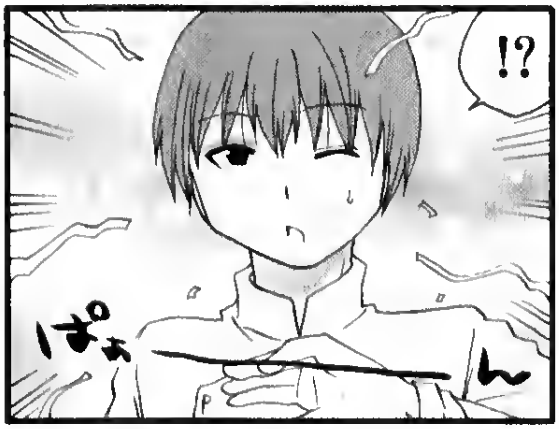
I also didn't say anything about how that won't work at all!

Yamada's frankness

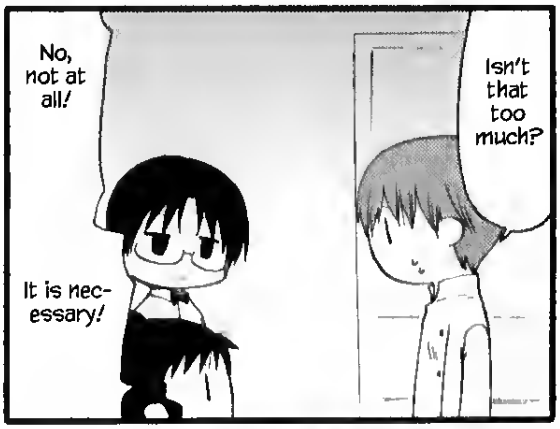




A little bit of reflection?

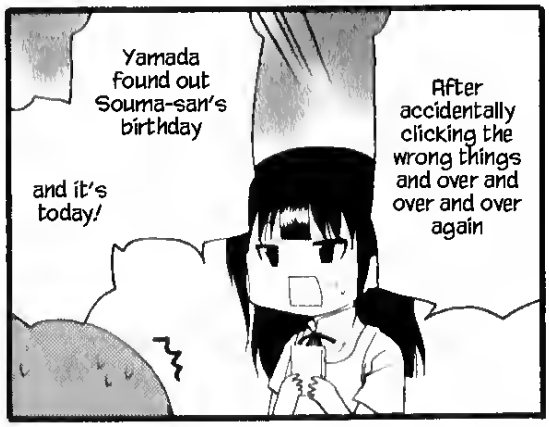


Friends are getting tired of it

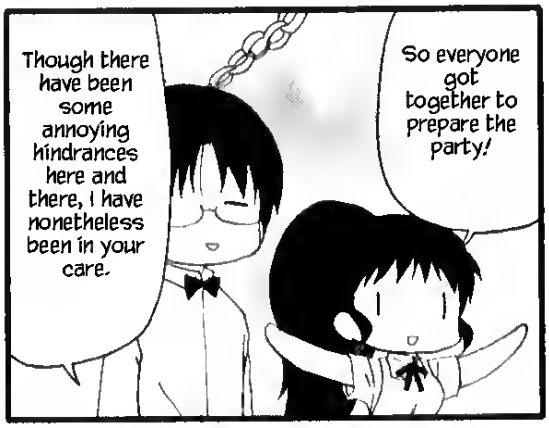


Satou's sentiments 2

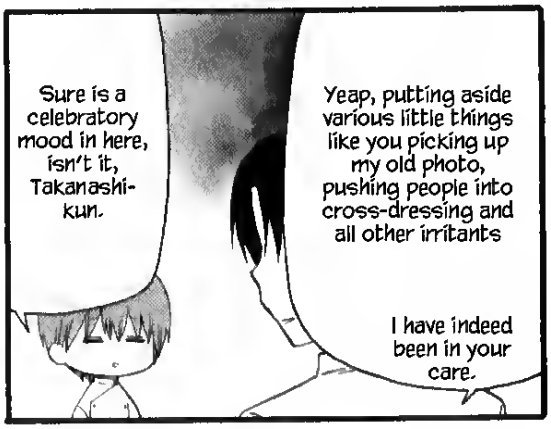
A surprise from everyone



Yamada found out Souma-san's birthday
and it's today!
After accidentally clicking the wrong things and over and over and over again



Though there have been some annoying hindrances here and there, I have nonetheless been in your care.
So everyone got together to prepare the party!



Sure is a celebratory mood in here, isn't it, Takanashi-kun.
Yeap, putting aside various little things like you picking up my old photo, pushing people into cross-dressing and all other irritants
I have indeed been in your care.

The chief's goofing off
Yachiyo-san's gone missing?!
What?!
To think that Yachiyo-san would actually leave work early-
I've been out on the floor the whole time and I didn't see her.
Have you seen her leaving by the front door?
Look at this!
Excuse me. Please allow me to take some time off for a little while.
Todoroki Yachiyo

Look!
Todoroki Yachiyo
That's our Chief!

And she's even being so responsible about it!

Has she gone out?
Better hurry and chase after her.
Yachiyo!

Are you going to search outside?

Yamada, can I check the attic?
She's not here.
Right.

T-That's a maiden's room!
Taka-nashi, if you would.

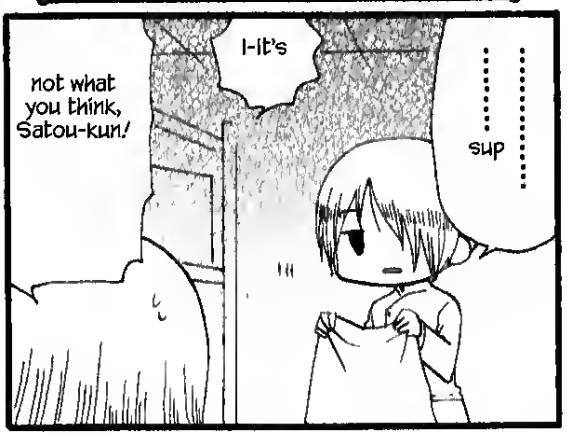
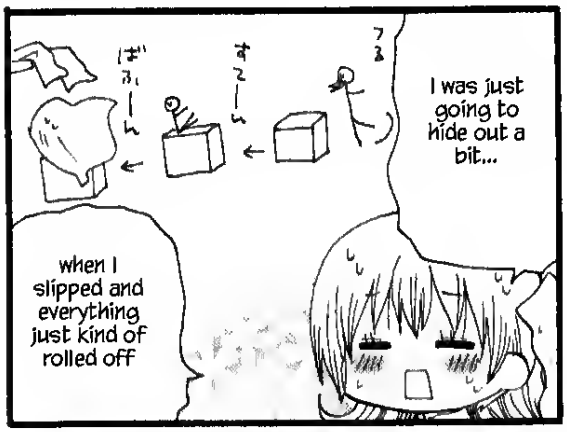
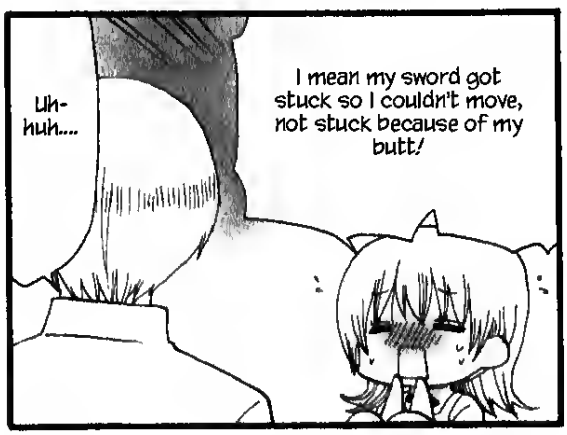
I-It's not like Yamada has hidden broken dishes up there or anything like that!

What Yachiyo can achieve
Yep. That's why she's the Chief.
Yachiyo's the one who taught the rest how to maintain order here.
Well, she's considerate and really helpful.
And everyone here likes her.
Yeah! Like being your wife!
If she made use of everything she's been doing here, she could actually get a better job.
.....
Where within the store...?
Yeah
it's hard to go out with that guy camping there anyway.
Going by what Kirio-kun said, it doesn't seem like she left by the back door.
considering what she's like, I doubt she'd go somewhere else
while wearing the family restaurant uniform.
Yeah,
She certainly wouldn't be running out anyway.
But
きらーん
What is she, a ninja?
where in this clean and neat restaurant can she be hiding?

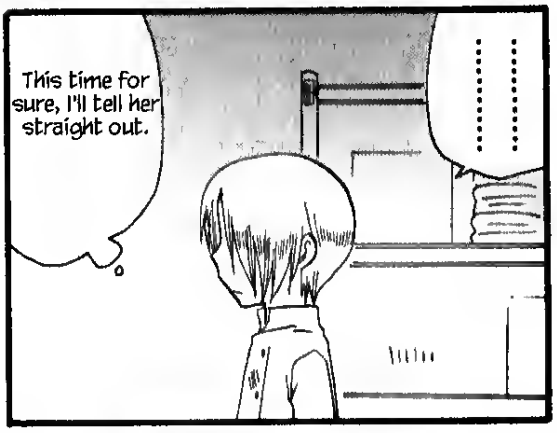
Reason for getting stuck

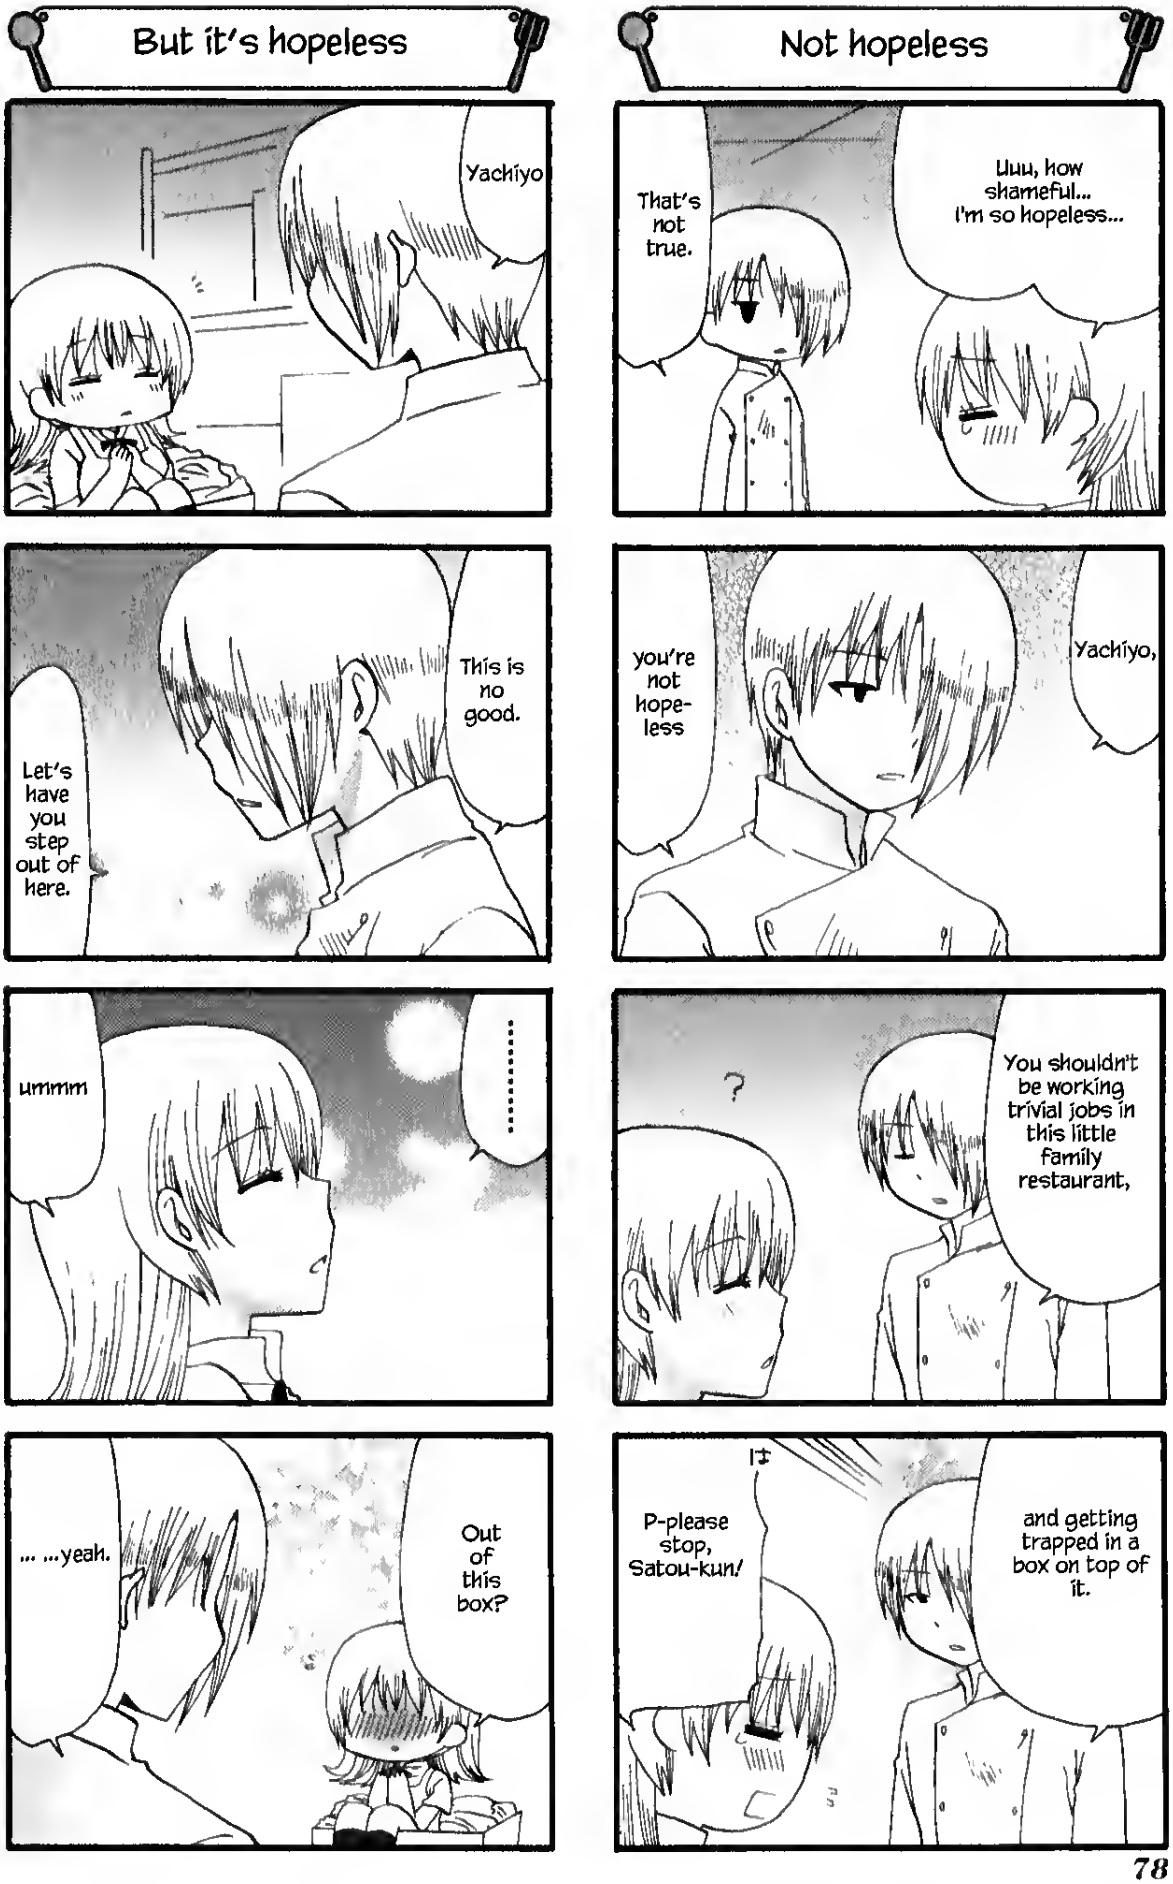






Ways of a ninja





But it's hopeless
Yachiyo
This is no good.
Let's have you step out of here.
ummm
.....
... ...yeah.
Out of this box?
Not hopeless
That's not true.
Uuu, how shameful... I'm so hopeless...
you're not hope-less
Yachiyo,

You shouldn't be working trivial jobs in this little family restaurant,
